

S 24 05,126'

E 27 47,256'

Elevation 3200' Runway 30/12

1200m/30m with an electrified fence

Land runway 12

Take off runway 30

Fly east of the Mokolo River to avoid the farm with orphan elephants.

On takeoff, bank hard west to avoid the farm house above the cliffs directly in line with the runway. On your approach to the runway do the same to avoid the farm house on the cliffs

Entered into by and between

KA'INGO PRIVATE RESERVE

Registration number: 2002/008176/07

(Hereinafter referred to as "The Employer")

and

(Full names and surnames)

IT IS THEREFORE AGREED AS FOLLOWS:

All persons entering the reserve by air or road do so at their own risk. The Employer or its officers, agents, employees or independent contractors or the employees or any of them will not be held responsible or be liable for any damages nor for any injuries or loss to any persons whether as a result of the negligence of "The Employer" or any cause whatsoever. All vehicles, planes or helicopters are parked and landed at the risk of the parker, driver, pilot or the owner thereof and "The Employer" will not be liable for any damages to any vehicles, planes or helicopters including but not limited to collisions, fire, theft, rain or hail.

We have read, understood and accept the terms and conditions of The Employer.
